GARDEN MEMBERSHIP

Members of the MSU Horticulture Gardens enjoy many special benefits, such as invitations and discounts to our special events and programs. This includes our members-only 'VIP' Plant Sale on the evening before we open the yearly Plant Sale to the general public. Members receive a 10% discount on all purchased plants and items.

You can join as an individual or as a family. Our members have the additional benefit of special admission privileges to over 200 American Horticultural Society reciprocal gardens, providing cost savings that can more than make up for your MSU Gardens membership fee! To learn more about the AHS Reciprocal Admissions Program, visit **www.ahs.org/events/reciprocal_events.htm**

See inside of this brochure for a complete description of member benefits.
