

GARDEN MEMBERSHIP

MSU Horticulture Garden Members enjoy many special benefits. These include invitations and discounts to our special events and programs, including our annual plant sale. In fact, members are invited to our VIP plant sale on Friday evening, the night before we are open to the general public. Members will also receive a 10% discount on all purchased plants and items. You can join as an individual or as a family.

As a member, you will also have the special benefit of free admission to over 200 American Horticultural Society reciprocal gardens. Visit the best gardens in the USA at no charge. If you are traveling and plan to visit other great gardens in the USA, free admission to participating AHS gardens can easily make up for the cost of MSU Garden membership. In Florida alone, there are ten participating gardens listed, including the fabulous Fairchild Tropical Botanic Garden. To learn more about the program and for a list of all reciprocal AHS Gardens, go to www.ahs.org/events/reciprocal_events.htm

See reverse side of this brochure for more benefits of being an MSU Horticulture Garden Member.

DONOR OPPORTUNITIES

Largely self-funded, the MSU Horticulture Gardens rely heavily on generous donations from friends like you. There are so many ways to give to the gardens! Please consider supporting our ever-ongoing Garden activities. Donor options include becoming a member, purchasing a brick, bench or even a historic lantern for the Gardens to commemorate an anniversary or loved one. Larger donations can help sponsor a new garden, a summer student intern, our Teaching Programs, an art or cultural event, or support our endowment.

For questions about membership or other donor options, please contact us at:
