Hi Marcus,

My name is Matt Bouvy. I am a manager at Abele Greenhouse and Garden Center in Saginaw. We are looking for a young person to work on our landscaping crew this summer. We have one truck with a two man crew. Our crew leader is looking for a hardworking person to help read prints, install plants, stone and mulch, and do some trimming and maintainance. If you know of anyone in the Saginaw area who would be interested, please let me know, or put them in contact with me. My cell phone number is 989-737-9110.

Thank you

Matt Bouvy
