Hello!

I am contacting you because I know that you are someone with a connection to a lot of great college students who may be looking for a valuable work experience.

The Michigan Farmers Markets Food Assistance Partnership would like to announce the opening for a summer AmeriCorps member.

Please share the position description that is attached with any/all potential candidates.

Resumes are due by May 7, 2010. Instructions for applying are included in the description.

The individual selected will develop a system for recruiting, training, and supervising volunteers that will work with farmers markets to complete Bridge Card transactions. We are looking for an enthusiastic individual to help us increase access for all Michigan residents to healthy, local produce.

I look forward to receiving information from any/all potential candidates.

**Amanda Segar**
