

Great Opportunity!

Berns Landscaping Services, Inc. is seeking to enhance our team!

We are currently selecting the right individual for the following position:

- Horticultural Maintenance working Superintendent
 - Must have at least (5) years experience providing services that include garden bed care, seasonal clean ups, proper selective pruning and shearing of shrubbery, proper ornamental tree pruning, annual flower planting and bed mulching. Must be knowledgeable in plant identification and have the ability to guide and educate team members in the field.

We have excellent career and compensation opportunities.
