

Calvin College Internship Positions Summer 2010

Calvin College is offering two internship opportunities for the summer of 2010. The college will have an opening for one Landscape position and one Sports Turf position.

Landscape

- involvement in design, installation and maintenance of landscape on Calvin's campus
- tree work, flowers, fertilizing, weed control, pruning, etc.
- Opportunities to gain valuable supervisory experience while working with a student crew of 10-12 student workers
- involvement with grow-in of the new landscape around the completed Spoelhof Fieldhouse, and design and installation of a new landscape for the Covenant Fine Arts Center

Sports Turf

- Complete maintenance programs for soccer, baseball, cross country, softball, and lacrosse facilities
- design and implement programs for the new grow-in of the state of the art athletic venues around our new Spoelhof Fieldhouse Complex
- plan and carry out field renovation on existing intramural fields
- be involved in experimental poa annua and bentgrass control programs on existing soccer fields
- learn and operate one of the most sophisticated central control irrigation systems in the Midwest

Internships pay \$12.00 per hour, 40 hours per week. Uniform shirts will be provided. Please contact Geoff Van Berkel at Calvin College if interested in applying for these opportunities.
