Hey everyone,

The Horticulture Club Scholarship is now available!!

As most of you know, the number and amounts of scholarships awarded are dependent on the interest earned in our endowment. Unfortunately, due to low interest rates this past year, we will not be able to award as many scholarships as we did last year.

However, that shouldn't stop you from applying, because we still have money to give away!

Everyone who is an active member of hort club, and who has not previously won a hort club scholarship is eligible to apply. The application is attached or can be picked up outside of Susan Gruber's office as early as next week.

Electronic applications are to be emailed to Bridget Behe by midnight on April 5th. Alternatively, paper applications can be placed in Bridget's mailbox by the end of the day on April 5th.

Good luck!

Michigan State University
Horticulture Club Scholarship

2009-2010 Academic Year

The MSU Horticulture Club has raised money throughout the years to develop an Endowment to fund several scholarships. The scholarship amount awarded is dependent on the earnings of the Endowment. This year there will be several scholarships awarded. Those who apply must be active members of the MSU Horticulture Club. This Scholarship can only be awarded once in the student's tenure at MSU.

Name:

PID:

Email Address:

Check the appropriate boxes:

Horticulture Club Officer Freshman Sophomore Junior or Senior

For how many semesters have you been a member of Hort Club? _____

First Year Transfer Student Ag Tech Student

Local Address:

Telephone Number:

Permanent Address:

Submission Deadline: April 5, 2010 by email to behe@msu.edu as a single PDF file.

Hort Club Members for more than one year – Please write a one page essay describing your participation in MSU Horticulture Club activities including offices held, participation in PLANET, MACHS, or other horticulture student competitions, as well as other Hort Club activities. We are also interested in what being a club member has meant to you. You may want to describe how being a club member has helped you reach your goals while at MSU and what you hope to do in the future with your horticulture degree.

Hort Club Members for less than one year – Please write a one-page essay describing your interests in horticulture, what you hope to do in the future with a horticulture degree and how being an MSU Horticulture Club Member will help you reach your goals.

Decision of Awards and Announcement of Results: The Hort Club faculty advisors and at least two additional faculty members with significant student interaction or are members of the Horticulture Scholarship Committee will review the applications. They may ask for input from ineligible Hort Club members (those who were previously awarded a scholarship). The decisions will be announced at the Spring Show Dedication Ceremony. The awards will also be posted on the Hort Club website and outside the Undergraduate Advisor's office.
