Position Information
Title Horticulturalist
Posting Number 0601119
Department Facilities - Landscape Services
Grade M5
Job Type: Full Time, Regular
Pay Type Non-Exempt
Salary Range: $20.63 per hour

Major Duties
- Selects, cultivates, installs, maintains and replaces plantings and flora on campus grounds. Collaborates with the Manager and supervisors of Landscape Services to plan and develop root stock and to schedule transplanting of stock to landscape sites and to plan and coordinate other activities required to develop, install and maintain stock for campus grounds.

- Transplants stock to designated landscape sites, and moves same to accommodate construction projects.

- Develops irrigation schedules for campus plantings and directs other grounds crew members who operate those irrigation systems.

- Develops spraying schedules for all campus grounds bedding plants. Diagnoses insect and disease pathogens and selects the appropriate pesticide, fungicide or other treatment for application to control or eliminate the problem.

- Schedules appropriate applications for herbaceous and non-herbaceous plants.

- Uses light and heavy equipment, including bobcat skid loaders, tractors, and man-lift trucks, to prepare sections of campus grounds and nursery beds for planting and/or seeding.

- May assist in snow removal.

- Fastens attachments to trucks and tractors with wedge-pin and other hitches; connects hydraulic hoses, belts, mechanical linkages and/or power takeoff shafts to trucks and tractors to provide power to raise, lower and tilt attachments; operates levers and foot pedals; uses hand and power sprayers; utilizes powered saws, trimmers, and other devices; employs augers, shovels and other equipment and tools.

- Performs minor service, repair and maintenance work for assigned equipment. Performs appropriate operational checks.

- Performs additional duties as requested by supervisory personnel.

Minimum Qualifications
- Knowledge of horticultural principles, practices and techniques.

- Bachelor's degree in Horticulture, Plant Science or related field; OR five years of horticulture or related experience; OR any equivalent combination of experience and/or education from which comparable knowledge, skills and abilities have been achieved.

- Working knowledge of the flora found in SW Lower Michigan and the growth behavior of, and the pathogens common to those flora is required.

- Possession of a valid Michigan Commercial Drivers License (CDL) with endorsement "B", air brakes at the time of hire or must be
obtained within 90 days of hire.

- Possession of a Michigan Department of Agriculture Commercial Pesticide Applicators License with endorsements for Turf (category 3A), Ornamental (category 3B) and Right-of-Way (category 6) at the time of hire, or within 90 days of hire.

- Ability to perform the physical requirements of the job, as outlined in the job description.

- Must be able to tolerate exposure to dust, dirt, pollen, grass and grass clippings, fertilizers, weed killers and other lawn care chemicals, as well as to pesticides, fungicides and other toxins, as well as prolonged exposure to sunlight.

- Must be able to read and comprehend all written instructions as well as understand and comply with oral instructions.

- Must possess 20/40 vision with or without corrective lenses.

- A physical examination administered by the employer's designated physician is required.
