Landscape Renovation

I am redesigning my back yard & adding raised flower beds. I would like to employ one or two students to help with all aspects of this projects including moving the soil, digging beds, transplanting perennials, setting pathway stones.

Work will be needed starting in August & into the fall.

Hours are flexible and pay is negotiable. I'll make you lunch too!

I am located near Brody complex. Please contact me at:

egmeyers2@comcast.net

517/862-6554

Thanks. - Liz
