I thought you might like to pass on to any of your senior students the open positions we have in North Carolina Cooperative Extension – we had a big freeze and now have 48 positions we are looking to fill — not all of them will fit for the undergrads (like county extension director, etc) but there are quite a few hort agent/4-h agent positions. They can click on <https://jobs.ncsu.edu/applicants/jsp/shared/frameset/Frameset.jsp?time=1268408014234> and put in extension as a key word.

Cheers,

Liz
