INCREDIBLE TRAINING OPPORTUNITY - ONLY 25 SEATS LEFT!

Grant Funded 2-Day ArborMaster Tree Worker Clinic Comes to Michigan ~ March 1-2, 2011

A major portion of this program has been funded by a grant from the Michigan Occupational Safety and Health Administration. The monetary value for this clinic is \$990 and anyone may attend for only \$45! This program is recommended for all professionals who work in or around trees including tree companies, municipalities and golf course workers who engage in any form of tree work.

This is a phenomenal opportunity and we strongly recommend and encourage attendees to participate in all programs scheduled in this clinic. Receipt of attendance to each session will be given out at the end of every class. Those attendee's who provide proof of attendance to the entire clinic will be entered into a drawing on March 2, for an AWESOME ArborMaster® prize package valued at more than \$750!
