Marcus,

We are presently seeking an intern who is looking to gain on the job experience in the Landscape Installation Field. We offer a healthy, safe, progressive work environment with very skilled employees. Our focus is Design & Installation of both new and existing residential and small commercial projects. We can offer a motivated person the opportunity to learn and gain skills from experienced team leaders in: Landscape Renovation and Planting Practices, Brick Paver and Natural Stone Patio Installation, Water Feature Installation, Landscape Lighting, Natural Stone and Pre-cast Block Retaining Walls, Planting Bed Maintenance, Design & Consultation, Nursery Management and Plant Care.

No experience is necessary. An individual needs to have a strong back and a willingness to learn, get dirty, and have fun while doing an honest days work. Starting pay ranges from \$9.00-11.00 per hour depending on experience, with a \$250.00 end of season (back to school bonus). Some opportunities exist for long term employment, we will take inquiries or resume's for individuals looking at Landscape Foreman positions or Retail Nursery Management/Marketing positions.
