Subject: 2011 Blue Ridge Landscaping - Intern
Date: April 7, 2011 9:18:33 AM GMT-04:00
To: Marcus Duck <duckmarc@msu.edu>

Lawn and Landscape Internship

- Candidates must have a valid driver's license
- This is a paid position
- Some experience with landscaping/lawn care and knowledge of plants is preferred

Interns will:

- Work along the West Michigan Lakeshore on commercial and residential properties
- Gain experience in aspects of landscape maintenance and installation

Blue Ridge Landscaping is a company that is focused on creating beautiful landscapes for our clients. At the end of the day, however, it is the connections that our staff make with the clients that truly makes the difference. We are searching for applicants who can not only do the work well, but be able to work with our client's too.

To apply, please contact:

Nick Pierson
Property Maintenance Superintendent
