Please share this posting with your students - the candidate will be working for Mark (ANR Comm) and Miranda (Hort) Daniels recent CANR alumni. Deadline to apply is 1/14

Job Title: Sales Representative

Job Type: Full Time

Job Location: Ithaca, Michigan

Start Date: Mid-Late February 2011

Compensation: Competitive salary based on sales performance, benefits package after 90 days includes health, dental, flex spending and 401K.

Job Requirements:

1. 2-4 year degree in agriculture preferred
2. Ability to think and work independently
3. Strong communication skills
4. Reliable and trustworthy
5. Must have the ability to acquire a state of Michigan chauffeurs license
6. Willing to work 7 days of week during peak season April-June

Company Description:

Bonnie Plant Farm is the largest nationwide wholesale grower of vegetable and herb plants. We provide plants for stores such as Wal-mart, Lowes, Home Depot, K-Mart, Meijer and Family Farm and Home. We also provide plants for several independently owned garden centers. Bonnie has over 70 greenhouse locations throughout the United States. We are full service vendor; we deliver all racking, signage and live goods to the stores directly.

Job Description:

Our location in Ithaca, Michigan services stores throughout the entire Lower Peninsula and Sault Ste. Marie. We are searching for hard working individuals to be responsible for their territory within Michigan. You will be responsible for maintaining display racks, installing proper point of purchase signage, and keeping racks stocked with proper plant material. You are also responsible for working closely with the individual store managers to increase their product knowledge, assist with diagramming of retail areas and work through any other issues they may have. Strong people skills are a must when working with these individuals.
