PAID SUMMER UNDERGRADUATE RESEARCH POSITIONS

<http://www.venture.msu.edu>

Positions are posted on Venture (www.venture.msu.edu). The best way to see the complete selection is select the "Browse All Project" option in the green box designated for students. Most positions include a stipend, lodging, and help with transportation costs. Application deadlines are in February or March. New projects are posted daily, so check back frequently.

Steve van Nocker, Ph.D.
Associate Professor
Coordinator, CANR Undergraduate Research Program
