Company Overview:

Cascade Group of Companies has, for the past 40+ years, developed and maintained some of the most pristine landscapes in the intermountain west. We are committed to being the leader in our market in quality, customer service and innovation. We have cultivated a dynamic company culture that rewards hard work and ingenuity very well. We are aggressively expanding at this time and are looking for future leaders in the industry to join our team.

Job Description:

Cascade Group of Companies is looking to hire three full-time employees as Route Managers and five interns as Assistant Route Managers to work with our pest control and lawn care division starting May 1, 2011.

Responsibilities include:

- Scheduling and acquiring new accounts for Plant Health Care and IPM technicians
- Meet with potential clients to prescribe solutions for lawn care and pest control needs
- Coordinate the servicing of accounts with Branch Manager
- Give direct support to Branch Sales Manager

Candidate Requirements:

- Strong analytical & creative problem solving
- Strong interpersonal/human relations skills
- Strong written & verbal communication skills
- Ability to work independently and as part of a team
- Seasonal travel
- Experience using Excel, Word and Outlook

Our full-time Route Managers earn, on average, \$70,000-\$110,000 a year while interns earn, on average, \$20,000-\$40,000 a summer. We provide extensive daily training to our Route Managers and Assistant Route Managers.
