

## Horticultural Sales – Trees and Shrubs

Clinton Nurseries is one of the top shrub and tree growers in the U.S.

Clinton is looking for the right person(s) to assist consumers with shrub and tree selections at a fast paced retail market.

They will need a vast knowledge of plant material as well as handling and care. Strong communication skills are a must and daily documentation is required. They must be able to work independently.

Approximately 25 to 40 hours per week depending upon requirements, weekends are mandatory.

Service locations – I-95 corridor in southwest Connecticut

April 1<sup>st</sup> to Summer 2011 (temporary)

Documentation of daily activities and communication with your supervisor and store personnel

Must be able to lift 40 lbs

Work in inclement weather

Reliable transportation

Work shirts and tools will be supplied

Training will be provided

Good pay with incentives

If you are currently part of a horticultural program, please check with your advisor for possible credits.
