

FOUR SEASONS GARDEN CENTER & CUSTOM LANDSCAPE SERVICES is a full-service professional landscape design & build firm with a 30-year reputation built on providing residential landscape solutions through our expertise in design, horticulture, professional workmanship and customer relations.

Building on a successful 2011, we are adding staff for 2012. Currently seeking energetic & positive candidates interested in a professional landscaping career for the following positions:

Landscape Design Sales – Working knowledge of basic elements of design, plant material and customer relations. Strong communication skills with knowledge of MS Word and Excel a must. Knowledge of Dynascape helpful, but not required.

Design Assistant – Working knowledge of site measuring, base map preparation, overlays, color renderings and presentation materials. Ability to multi-task and assist a multi-person sales staff. Strong communication skills with knowledge of MS Word and Excel a must. Knowledge of Dynascape a plus, but not required.

Landscape Crew Supervisor – General understanding of landscaping. Chauffeur's License or CDL.

Fax resume to Glen at 248.543.2515 or email to glen@fourseasonsgardencenter.com
