

GARDENER/HORTICULTURIST
At a private residence in Frederick, MD

This is a skilled, year round, full-time opportunity for an experienced, person.

This enthusiastic, highly flexible, neat and organized individual will be expected to perform a wide variety of labor intensive tasks related to fine gardening and property upkeep including (but not limited to) shrub and container care, care of several water features, light tree pruning, minor irrigation repairs, mulching, pest and disease management, and care of a greenhouse. This experienced professional must be knowledgeable (prefer degree or certification), and be able to document experience in the establishment and maintenance of annuals, perennials, woody ornamentals, containerized plants and turf.

This individual will operate and care for small and large equipment, drive vehicles, and perform ladder work. Must be able to move or lift heavy objects, perform work in a variety of weather conditions, be available to assist with events after normal hours, and assist with watering on the weekends.

The ability to learn quickly, effectively communicate verbally and in writing with his/her manager, the owners, as well as other staff, and have their own transportation are essential. The successful candidate must be legal to work in this country, willing to submit to a background check, and drug testing prior to employment.

For immediate consideration please contact or forward a resume to:
