Glei's Orchard and Greenhouse in Hillsdale, MI is looking for a greenhouse grower/manager with a love for working with annuals and perennials in a retail environment. Experience is a plus but a basic knowledge of plants and chemicals and willingness to learn is a must. We hope to have a very self motivated hands-on person that is interested in learning what and how we do things and has the drive and knowledge to offer suggestions for improvement. The right person will have a passion for the greenhouse and care to constantly improve it.

This would be a year-round full-time job with overtime needed in peak seasons.

Resume can be emailed to:
