

Ground Pros Inc.

“Focused on Quality ... Committed to Care”

Midwest Plaza – Oak Brook, IL

Mission Statement

Ground Pros Inc. is a respected landscape management company committed to efficient workmanship and recognized quality through our high standards.

Accessible client service ensures your consistent satisfaction while building long term relationships.

We also support several professional associations, including:

PLANET – Professional Landcare Network

BOMA – Building Owners and Managers Association of Suburban Chicago

CAI – Community Associations Institute

ILCA - Illinois Landscape Contractors Association

SIMA – Snow and Ice Management Association

History and Focus

Our success since 1992 has been simple. We have brought together a team of dedicated, hard working and focused individuals that understand and uphold the company mission and vision statements.

With over 300 clients ranging from single-unit corporate locations, shopping centers and homeowners associations, to some of the area's highest profile campuses we are confident that Ground Pros Inc. is the right choice.

Servicing Exterior and Interior Commercial Landscapes

Ground Pros Inc.

Servicing Exterior and Interior Commercial Landscapes

Ground Pros Inc. is a full-service landscape contractor, offering exterior and interior maintenance, restoration, and design to Chicagoland area companies. We've been in business since 1992 and service over 400 commercial properties. We enjoy a solid reputation for quality workmanship and value, and take pride in helping businesses enhance their professional image.

During our peak season we can have over 80 seasonal employees.

Internship positions available:

Maintenance/Enhancement/Tree & Lawn Care Department Internship Positions

As an Intern your responsibilities will vary by Department but will include the following duties:

1. Work with Area Manager to learn his/her role within the company.
2. Learn safety procedures and the proper use and maintenance of equipment.
3. Follow and enforce all company policies and procedures.
4. Learn how to complete paperwork (time sheets, job reports, receipts, and extra work orders).
5. Learn how to work within budgeted hours allocated per job.
6. Produce quality work with attention to detail.
7. Always assure client satisfaction and learn how to speak to clients while on client sites.
8. Performs other miscellaneous duties as assigned (i.e. special projects).

The internship will consist of working in Maintenance, Enhancement and in the Tree & Lawn Care Department
