Subject: Volunteer Opportunity with Habitat for Humanity

We have a few projects that we could use some landscaping experts to help us at. Our first one is August 27, 2011. It is located on Delaware SE., in Grand Rapids, MI.

This street is located just south of Franklin between Madison and Union. We start at 8:00am and work until 4:00pm. We will be having a group of volunteers on site to assist the team leader. There will be 6 to 10 volunteers on each site. We have a master gardener from the Kent Garden Club that helps us regularly. She is great, but retired and is not always available to help us.

I will be having A Brush with Kindness on Sept. 17 24, 2011 also.

If any of your students could help at any of these times we here at Habitat for Humanity of Kent County would be greatly appreciative. We are also in the need of any type of donations of plants, soil, tools, edging material.

Anyone that is interested can contact me on my cell phone at 616-325-4677.

Thanks you again and have a great day!!!!
