We live on Sherwood Rd. near Williamston, approximately 2.5 miles east of Meridian Rd.

Pay is negotiable.

Weeding as needed,..most of garden is perennials. Tons of flox that need dividing and maybe given thought as to placement.

General maintenance, weeding (or spraying) brick walk green growth.

I see needing help initially then perhaps once every 2 weeks for a couple hours. We could really get this place looking wonderful.

I would be happy to have someone who would feel comfortable working independently.

Thank you. Susie Maire Ph 655-4225.
