Good afternoon,

I am hopeful that you can assist me. I live about 10 miles north of East Lansing off of Chandler Rd. in the Dewitt/laingsburg area.

We purchased a home with many large perennial gardens. The previous owner was a master gardener. For the past five years we hired a gardener to tend to our gardens and plants but she has since closed her business.

Do you have any students or know of any other gardeners in the area who would be interested in being hired to tend to our gardens? We are more than happy to pay fair market rates. We are just seeking someone skilled with plants, reliable and hard working.

Any guidance you can provide would be very much appreciated.

Emily Matthews
