Landscape Manager Position

Pine Lake CC is seeking a motivated individual for Clubhouse Landscaping and Gardening. This person will be responsible for design, selection, and installation of all annual and perennial plantings on the property.

This position will allow the individual to learn various aspects of Country Club operations, and will have the resources and freedom to experiment with color and textures to provide an inviting landscape presentation.

The selected individual will also be able to grow their resume and employment portfolio through their work on landscapes, beautification projects, and other special projects.

Position Available: April 1

Compensation: \$10.00 / hr., Health Insurance available, 401K available with employer match

Seasonal Position, 10 months per year

Responsible to: Golf Course Superintendent
