Mr. Duck

My name is Kelly and I work for Point O' Pines Camp in Brant Lake, NY. We are currently in the process of staffing for the summer of 2011. This year we are integrating a new program on our 500 acre farm property. We've recently built a 500 square foot greenhouse and have a 700 square foot outdoor garden. We are interested in hiring college students from an Environmental Study or Sustainable Agriculture Program. While researching I saw that Michigan State has an outstanding program. This will be a paid position and can be adjusted to fulfill university internship requirements. If you feel this job would be beneficial to your students, please pass the word to any students you think would be interested in spending a summer living and working in the beautiful Adirondacks!

Listed below are some details about our camp, farm and the position!

If you have questions please feel free to email me.

Thanks!

Kelly Longwitz

General Description: Point O' Pines Camp for girls is looking for a warm, personable, energetic, and responsible gardener who has experience and skill in the areas of organic gardening and greenhouse gardening. Our start up gardening program serves 7 to 15 year-old girls. Our brand new greenhouse is 500 square feet and our outdoor garden is 700 square feet. The position will entail working in both gardens in the areas of general labor, planning, planting, weeding, soil management, harvesting, crop rotation, greenhouse production, documentation and record keeping. All while having fun and teaching children the environmental and health benefits of organic gardening. This unique paid position can serve to fulfill university internship requirements.

Internship Starts: May 1st, flexible

Internship Ends: August 18th, flexible

Number of Interns: 2 or 3

App Deadline: June 1st

Minimum Length of Stay: June 18th- August 18th

Meals: Three meals a day

Skills Desired: Knowledge and experience working in a greenhouse and/or an organic garden. Willingness to work and live with children ages 7 to 15. Age 21+ preferred but not necessary. And availability from May or early June to August 18th.

Educational Opportunities: On-the-farm learning and teaching

Stipend: Counselors will receive salary, room, board, laundry service and round trip plane ticket. Salary is based on education and experience.

Housing: Counselors will live in a spacious, modern cabin with 8 to 10 campers between the ages of 7 and 15. During time off, enjoy some of our many land sports, lighted tennis courts and other facilities.

Preferred method Of Contact: Email

Internship Details: The internship can be designed to fill the intern's specific requirements.
