Students: There is an opportunity for an internship at Sandyview Farms this summer. See the information below. IF you are interested in this position, send a 'cover letter e-mail' that explains your interest in the internship, where you are from, the courses and experience you have had that are applicable to the position, and then attach your resume to your e mail. Respond by February 1.

Sandyview Farm, located south west of Grand Rapids, Michigan, is in need of an intern that will be able to do crop scouting for vegetables, which include: winter squash, turnips, peppers, greenbeans, pickles, cucumbers, processing pumpkins and field corn. The right applicant should also be able to run a sprayer and perform various other farm related jobs. Compensation will be based on experience. Please forward resume and or questions to sandyviewfarm@gmail.com.
