To: <duckmarc@msu.edu>

Schaaps Greenhouse is accepting resumes for an assistant grower position. This is a temporary full-time position that could become a permanent full-time position. Job requirements include growing a portion of the crop, applying growth retardants and chemicals, and miscellaneous greenhouse tasks. Work hours will include some weekend hours. Pay will be based on experience. Training will be available, but some plant knowledge would be useful. Please email resumes to schaapsgreenhouse@hotmail.com, attention Jan Schaap.

Schaaps Greenhouse
1621 River Street
Kalamazoo, MI 49048
