Our company is in search of snow shovelors for the up coming snow season. We have had a few workers in the past from your program and they did a real good job for us. I was hoping you would be able to pass this along to your current students in case any of them were interested. We pay \$17/hr and work is done mainly in the 3-8am time period, but other shifts are available. If they are interested they can contact Gavin at 616-260-4902 or apply online at our website [www.snellerslandscaping.com](http://www.snellerslandscaping.com).

Thank you so much,  
Gavin
