To: Marcus Duck <duckmarc@msu.edu>

From: Nick Gawel <gaweln@blomand.net>

Nursery Colleagues:

I am asking for your help in publicizing a nursery extension position we have available at the Tennessee State University in McMinnville TN. A very brief description is pasted below, a complete description and application instructions can be found at <https://jobs.tnstate.edu>.

Thanks,
Dr. Nick Gawel
Superintendent, Otis L. Floyd Nursery Research Center
College of Agriculture, Human and Natural Sciences
Tennessee State University
472 Cadillac Lane
McMinnville, TN 37110
(931) 668-3233 (931) 668-3134 FAX

Nursery Extension Specialist

Develops and implements innovative and interdisciplinary educational programs.

Assesses regional needs, issues and trends in horticulture area and prepares data as a basis for program development. Researches and disseminates information to keep nursery producers abreast of the latest research information through various forms of communication.

Requires a Master's degree in horticulture or directly related field with at least one year of experience in nursery production or related area.
