Horticulture Foreman / Manager

A great opportunity is available for a high level performer. Our firm is actively seeking a Horticulture Foreman / Manager to join our team immediately. Primary duties will include:

- Supervising & operating 2-4 crews.
- Installing mulch, plants, tree's, annual flowers, etc.
- Pruning & maintaining shrubbery, tree's, and other landscape features.
- Meeting with clients & reviewing landscape maintenance needs.
- Winter snow plow service.

Individual must be knowledgeable with plant identification & proper pruning techniques. Any landscape design skills a plus, but not completely necessary. Experience with operating vehicles & landscape equipment a plus.

This position offers plenty of growth potential. For the right individual, total long term compensation package could include year round salary, company vehicle, mobile phone, and more.
