EMPLOYMENT OPPORTUNITIES

Garden Center Operations

Touch of Nature Garden Center is a full-service garden center located near Frankenmuth, MI. Our products and services include a full line of plants and products for the home and garden, Landscape design, landscape management and wholesale sales. We currently looking for a motivated individual to work in all areas of the garden center.

Responsibilities would include:

General upkeep and appearance of the garden center.

Make sure all plant material and products are priced and displayed properly.

Ensure that all plant material and products are maintained to the highest standards.

Meet and assist customers with their gardening needs.

Work closely with owner to provide input on daily operations, purchases and maintenance.

Candidates should have the following:

Knowledge and passion for plants.

Must be willing to work hard and responsibly

Willing to work with seasonal scheduling.

Excellent personality and willing to assist customers.

Some experience or education with plant material is helpful.
