**Subject:** 2011 Twin Oaks Landscape - Designer Position  
**Date:** August 10, 2011 1:48:04 PM GMT-04:00  
**To:** Marcus Duck <duckmarc@msu.edu>

Twin Oaks Landscape, Inc. ([www.twinoakslandscape.biz](http://www.twinoakslandscape.biz)) is actively searching for a Landscape Designer to create and manage landscape designs for our discerning clients. Candidate should have experience using Dynascape Software, and bonus if possess experience with Google Sketch; as well as comfortable using Microsoft Office solutions. Needs to be a player within the team environment of sales, estimating professionals and build teams (install crews). They must be able to communicate effectively, and adequately answer, questions and concerns to overcome objectives. It is critical that this individual be energetic and motivated.

This career opportunity offers a competitive base salary, health benefits, as well as other company sponsored programs.

Thank you,

Sara Speen  
Human Resources Manager
