Hello,

We are a family-owned and operated garden center in Southwest Michigan seeking a full-time greenhouse grower. We would like someone with at least five years experience.

Here is a description for the position:

Established greenhouse/garden center seeking grower/business manager

Ideal candidate will have no less than five years growing experience at a commercial greenhouse (retail or wholesale operation) along with experience managing people. A formal business education is not necessary, but someone with excellent people skills and management experience along with sound business acumen is key. A good work ethic and willingness to work 7 days a week during busy seasons a must. Individual must be accustomed and willing to take direction, but should also be prepared to take on a leadership position with significant responsibility. Self-confidence without arrogance is essential. Spanish-speaking abilities a plus.

Compensation will vary depending on experience level of chosen candidate.

Please respond to this posting with a copy of your resume. All inquiries and applications will be held in strict confidence.
