Title: Assistant Horticulturist - Seasonal

Location: Chicago Botanic Garden, 1000 Lake Cook Rd., Glencoe, IL 60022

Description: By performing general garden maintenance and responding to the public, you will learn what it takes to be a horticulturist at the Chicago Botanic Garden. You will assist horticulturists and lead a small crew in planting, transplanting, weeding, watering, grooming perennials, mulching, labeling plants and monitoring for pests and diseases. This is a six month position.
