Chippewa East Mackinac Conservation District

Position: MAEAP Program Technician

The Chippewa East Mackinac Conservation District is seeking applicants to serve as a full-time grant funded Michigan Agricultural Environmental Assurance Program Technician for the Eastern Upper Peninsula. Responsibilities include coordinating all aspects of a multi-county MAEAP. Minimum requirement of a B.S. Degree in agriculture, animal, crop, environmental, agronomy, dairy and/or soil science or horticulture. Minimum two years experience in natural resources or agricultural fieldwork preferred.

Position description is available at www.chipmackconservation.org.

Interested applicants must submit a resume and a cover letter to CEMCD, 2847 Ashmun St, Sault Ste Marie, MI 49783.

Application Deadline: January 18, 2012.
