JOB OPPORTUNITY

Garden Intern
(Seasonal, Part-Time)

We are seeking an intern to assist the Henry Ford Estate’s landscape architect with landscape restoration and maintenance activities, with special emphasis on the Trail Garden and Rock Garden. Both of these gardens were originally designed by Jens Jensen. Additional responsibilities may include developing presentation materials, conducting research, attending planning meetings, and participating in garden programs, tours, or other related events.

Job Requirements
- Enrolled in a college level program related to landscape architecture, horticulture, landscape management, or similar field of study;
- Demonstrated interest and ability to work outdoors;
- Previous experience in landscaping, gardening, or related field a plus, but not necessarily required;
- Demonstrated ability to work well independently and as part of a team.
- The position involves frequent working on knees, reaching, crouching, and lifting, and working outdoors during summer weather conditions.

Work Schedule and Pay:
- Variable, flexible hours Monday through Friday (up to 30 hours/week) from May 7, 2012 until approximately August 24\textsuperscript{th}, 2012.
- Pay of $10-$12/hour depending on experience.

Send a resume and cover letter to:
