## Osceola-Lake Conservation District

### Position: MAEAP Program Technician

The Osceola-Lake Conservation District is seeking applicants to serve as a full-time grant funded Michigan Agricultural Environmental Assurance Program (MAEAP) Technician covering 2 ½ counties. Responsibilities include coordinating all aspects of a multi-county MAEAP. Minimum requirements include a B.S. Degree in agriculture, animal, crop, environmental, agronomy, dairy and/or soil science or horticulture and a minimum two years experience in natural resources or agricultural fieldwork preferred. Interested applicants must submit a resume and a cover letter indicating knowledge, skills and abilities to Charmaine Lucas, Administrator, Osceola-Lake Conservation District, 138 W. Upton Ave., Ste. 2, Reed City, MI 49677 or to [charmaine.lucas@mi.nacdnet.net](mailto:charmaine.lucas@mi.nacdnet.net). Osceola-Lake Conservation District is an equal opportunity employer and provider.

### Position Description

Application Deadline: January 18, 2012
