Sneller’s Landscaping has seasonal on call positions available for the winter season. Full time positions in lawn and landscape maintenance may also be available this spring in this growing company. These winter positions pay $14 per hour, plus a $3 per hour bonus for perfect attendance. The following positions are available now:

1. **ATV Operator and/or Snow Shoveler**
   - These positions are available in both Lansing and Grand Rapids, MI.
   - Job description includes plowing snow and spreading salt on commercial sidewalks using an ATV, and/or shoveling snow.
   - Candidates with ATV experience are preferred for the ATV operator position(s).
   - Candidates must have a flexible schedule.

2. **Salt Truck Driver**
   - This position is available in both Lansing and Grand Rapids, MI.
   - Job description includes spreading salt on commercial parking lots using municipal sized dump trucks.
   - 24/7 availability, or close to it, is important.
   - A CDL class A with Air Brakes is required for this position. We will provide training to the right person to help them get licensed if they do not yet have a CDL.
   - A cell phone with a data package will be needed for this position.
   - Candidates will need a proven record of quality work with an eye for detail.

Please visit our website, [www.snellerslandscaping.com](http://www.snellerslandscaping.com), to learn about our company. This is also where you can fill out our online application. On the bottom of the home page click “apply-online”. Please take your time filling out the application because it is our main screening tool. We will not call in every applicant for an interview, but most applicants that are chosen to interview will be hired. The application will be your first chance to set yourself apart.
