Entry-Level JOB OPPORTUNITY with the Streamwood Park District:

Horticulture Supervisor
(Full-Time)

We enrich life with memorable moments through excellence in recreation.

JOB SUMMARY
Reporting to the Park Manager, this position is responsible for developing, updating and implementing the Park District’s landscape master plan. This will include planning, designing and maintaining flower beds, planters and sign beds, and creating and maintaining a tree inventory for over 2,000 trees. The District has 37 parks and 7 facilities on approximately 250 acres. This is a hands-on position that will spend the majority of its time outside performing horticulture maintenance which includes, but is not limited to planting trees, flowers and shrubs, watering, weeding, pruning and fertilizing. The Horticulture Supervisor manages a crew of 4-6 seasonal employees and will be responsible for communicating job expectations, job training, coaching duties and responsibilities, performance evaluation, recognition and discipline, as appropriate.
