Flower Shop Supervisor/Chief Sales Associate

Join our young and growing company!

If you are...

• Caring and Creative
• Courteous and Genuine
• Organized and Flexible
• A Good Listener and A Team Player
• Willing to Learn New Things

We offer...

• A comfortable family atmosphere
• A leadership position with an amazing support staff
• A place to exhibit and explore your creative side
• Uninhibited sharing and learning
• Potential for growth in responsibilities and compensation

Experience needed

• Must have either a formal education in the art of arranging flowers or well documented past experience
• Must have a working knowledge of handling fresh cut flowers
• Must be comfortable with operating a PC computer
• Some knowledge of garden center plants products would be a huge bonus
• Some previous sales experience would be preferred, but not required

About Us...

Our Mission

The Flower Farm a is family owned retail garden center providing year-round Horticultural beauty to the residents of Michigan’s Thumb in the form of garden plants, gifts, and information.

Our Vision

The Flower Farm will provide our friends and neighbors with the effects and experiences they need to connect with the natural world around them. We will accomplish this by furnishing the finest products, the most valuable entertainment, and the most useful knowledge that we can grow, create, or locate. We will establish a reputation as the premier garden center, florist, corn maze, and Christmas retailer in Michigan’s Thumb Region. We will be steadfast in gaining the trust of our valued customers, and in maintaining lasting relationships with them.
