SUMMER EMPLOYMENT OPPORTUNITY

Walden Design is looking for Landscape Design student who can work in the Grand Rapids area for the 2012 summer.

Job Description:

You will spend part of the time assisting with designs and the remaining time working in the field. You will be working with CAD (Dynascapes) and Google Sketchup, so experience in either would be helpful, but not mandatory.

This would be a great opportunity to get some valuable design experience! Learn how to make 3D virtual tours of landscapes, photorealistic renderings, and get some valuable field experience at the same time!

Position is seasonal, but future full time is possible.

Some possible hours before summer break if able.

To apply, please email resume to jkibbe@waldendesign.net
