Job Description:

- Assist with management of harvest days including primary oversight of harvesting, washing and packing produce
- Track and report harvest quantities
- Train, oversee and motivate apprentices, farm workers & volunteers in all manner of field work
- Coordinate with farm stand employees and wholesale/retail sales staff
- Stand in for all Farm Manager responsibilities as necessary

Qualifications:

- 3+ years vegetable/farm experience, preferably with a CSA
- Valid driver’s license
- Non-smoker
- Basic computer skills, Microsoft Excel experience a plus
- Experience with tractor operation and implements
- Experience with overhead and drip irrigation
- Working knowledge of soil fertility requirements
- Carpentry, mechanical knowledge & greenhouse growing a plus
