Side job -- landscape work at an East Lansing residence.

Part-time work pruning, thinning, clearing, etc. on a large lot with considerable landscaping.
Pay commensurate with experience.

Ideally the candidate would be able to advise on the extent, nature and timing of the work. Some of the work may need to be contracted out due to the need for special equipment, etc. Some of the work may need to be done later in the Fall or in the Winter, depending on the species.
