DENISON LANDSCAPING, INC.
INTERNSHIP PROGRAM

DESCRIPTION

Denison Landscaping & Nursery, Inc. is a family owned and operated full service Landscape contractor in the Washington, D.C./Baltimore, Mid-Atlantic Region since 1973. The Denison family has been growing our organization for 4 decades, and over the last few years we have been named in the top 50 and, more recently, in the top 30 Landscape organizations in the country. The Internship is an opportunity to learn first hand all aspects of the Landscaping/Green Industry.

RESPONSIBILITIES

The student will pick three focal areas and will then work both independently and with their mentor throughout each department. You will be presented with all the day to day trials, tribulations and tasks that Field Managers face each day along with being involved in the decision making process during these times. Opportunities are offered in our Residential, Commercial, Sales & Marketing, Irrigation, Maintenance, Enhancements and Nursery Production divisions as well as many other areas that may be of interest. The intern’s own skill set will determine the various levels of involvement.

REQUIREMENTS

Candidates must have experience and educational direction in Landscaping, Horticulture or the Green Industry. You must also be able to work a full week (40 hours) outdoors in all conditions, be willing and able to lift 50 lbs. safely, have a valid drivers license with proof of a clean driving record. Experience with hand tools and machines, mowers, etc. used in landscaping is an advantage, but training will be provided to the right candidate. We encourage all potential intern applicants to schedule a visit to our facility when possible to get a feel for our organization.

Please submit your resume to Josh Denison at joshdenison@denisonlandscaping.com
