Havilah Gardens is a 72 acre farm just south of Owosso Michigan (30 minutes east of Lansing).

HG is located at 1051 W. Hibbard Road Owosso, MI 48867

The farm is a fruit and nut orchard along with a large garden/pond like setting.

The farm has over 1500 nut trees (Carpathian walnut, chestnut and others) there are also 50 fruit trees and a 100’ mature grape vine. The property also has a 3 acre pond.

The property is prime for nurture and improvement, while it already is thriving.

HG is looking to hire an intern to help with maintenance, care and development of the property. The property is divided into 15 acres of nut grove, 1 acre of fruit orchard, 25 acres of park like grounds and the rest wooded land.

We are looking for a full time intern that can assist us with the daily work and help us beautify the property and make it more productive.

The intern will operate all the equipment and tools to maintain and operate a fruit and nut orchard and develop the garden section of the property. They will have the assistance of a high school laborer. The intern will work directly for the owner. The intern should be a self-starter with knowledge or a desire to learn about nut and fruit trees and general tree care.

This position will be full time for the summer of 2013, but can continue part time beyond if desired.
