Greenhouse Labor
Seasonal Worker: March 1, 2013 – June 1, 2013 or longer
Location: Howell, Michigan

To apply, please reply with your:
1. Name,
2. City you live,
3. Phone number, and
4. Resume or qualification.
Emails without this information will be ignored.

Job Description:
We are looking for a physically fit person with the love of plants to work in a high-paced greenhouse production environment. All tasks require prolonged standing and walking. The greenhouse is a humid environment with temperatures ranging for 55°F to 90°F. Occasionally, there is outside work that will need to be completed in any weather condition.

Duties:
- Plant production: Filling pots, planting and seeding, moving trays...
- Plant care: Watering, spacing, and weeding...
- Greenhouse and tool maintenance: Cleaning, sweeping, washing, weeding, sterilizing...
- Customer Service: Help with plant selection, answer plant, planting, and planting care questions...
- Unload delivery trucks.
- Setup plant displays.

Position Requirements
- Strong work ethics, self-motivated, and enthusiastic worker.
- Driver's License with reliable transportation.
- Requires good manual hand dexterity skills. Lift, bend, twist and carry up to 30 lbs.
- Must be willing to commit to working until 6-1-2013 or longer.
- Available to work a flexible work schedule: schedule each week, including weekends, evenings and holidays.
- Experience in Greenhouse, Landscape, Gardening, Nurseries and ability to create flowering containers a plus.

What We Offer
- We offer a rewarding non-smoking, drug-free work place.
- 15-40 hours weekly.
- $7.50-$8.50 hourly rate based on experience.
- We are a seasonal employer and do not contribute to Unemployment Insurance.
- Mon-Sun 8 a.m.-7:00pm.

Interested candidates please e-mail resumes only to denisepenrose@penrosenursery.com.
