Hi Mr. Duck,

My brother and I live in a manufactured home park for senior citizens. We have some garden areas around our house which right now are in bad shape. Both of us have disabilities and it has become too difficult for us to handle the gardens. We need someone to weed and then help us with a landscape plan that will take less care. We would then like help purchasing and planting the flowers and bushes.

We live just north of MSU off State Road west of Coolidge and 127. Pay would be negotiable, somewhere between $9 and $12 per hour. We could provide transportation if needed. Please give me a call if you have any questions or suggestions. My number is (517) 853-3203, cell (517) 614-1844. Hope you will be able to help us find someone. Thanks in advance for your attention.
