Del Conte's Landscaping, Inc. is a full-service landscaping firm offering Landscape Maintenance, Design/Build, Irrigation and Water Management. Our mission at Del Conte's Landscaping is to fulfill the landscape needs of our clients, and, in doing so, exceed client expectations for service, quality and value.

Currently we have an opportunity in our Fremont, CA office for an Irrigation Water Manager to provide oversight and continuity to the irrigation department, while providing effective water management for clients.

Irrigation Water Managers are responsible for working closely with the Irrigation Production Manager & Vice President of Operations to achieve set goals, and for the following:

Principal Accountabilities
- Department profitability
- Client satisfaction – going above and beyond client needs & expectations
- Ensure safety (OSHA) Compliance
- Maintain & execute operations within company mission statement

Essential Duties
- Communicate with clients
- Generate sales
- Analyze our Water Meter Data
- Assist Clients in maintaining Water Budgets
- Implement General Manager's decisions.
- Provide quality service.

Requirements
- Bachelor's degree in Landscape Irrigation Science, Landscape Maintenance, Horticulture or equivalent experience & knowledge.
- Understanding of Irrigation design & hydraulic theory
- Observational skills
- Ability to exercise authority in a respectful manner
- Ability to work independently
- Knowledge of digital volt-ohm meter
- Knowledge of electric wire tracking system
- Certified Landscape Technician preferred
- Troubleshooting skills (timers, electric, etc.)
- Analytical skills
- Valid CA Driver's License
- Decision making skills
- Attention to Detail
- Planning/prioritizing skills
- Excellent inter-personal skills
- Proficient in Microsoft Office applications
- Available for emergency calls after work hours

We offer an excellent work environment along with a comprehensive benefit package including medical, dental, vacation, 401(k), paid holidays, and tuition reimbursement. We also offer a competitive salary.
