Estate Grounds Maintenance Opening

Part time: 15 to 20 hours a week
September 1st through 2nd week of December

- Aesthetic upkeep of estate grounds to include: property and plant life irrigation, mechanical and hand clearing of debris, mulching and other necessary tasks to maintain a prestigious appearance.
- Knowledge of plants and gas powered maintenance equipment and operation would be very helpful to the applicant.
- Administer a clean property by maintaining and cleaning sidewalks, patios, outdoor furniture, driveways and buildings
- Weekly meetings and inspections of grounds with designated representative.
- Perform daily site inspections and communicate with estate holder through oral reports.
- Professional demeanor and presentable appearance to appeal to client(s) and visitors.
